Retained in profit and loss account	1349	1343

2. FINANCIAL AND OPERATIONAL PERFORMANCE

Your Company's sales has gone up as compared to the previous year by 3.57% in value terms. Profit before tax and exceptional items, has increased by around 9.7% over the previous year

because of increased level of sales and cost reduction initiatives undertaken.

3. MANAGEMENT DISCUSSION AND ANALYSIS

a. Overall economic view:

The Indian economy continued to battle with many challenges such as muted demand from industry, rising inflation, sagging FDI and contracted consumption from consumers. Though the repo rates have been slashed by RBI, banks chose not to pass it on to the customers. This has not spurred the demand from the customers with the hope interest rates will fall in future. Manufacturing and Industrial activities remained sluggish like last year mainly due to depressed rural demand on account of two consecutive years of poor monsoon.

b. Industry structure and developments:

Two wheeler industry has witnessed moderate growth of 2% as compared to the previous year. Scooter segment registered a positive growth of 12% whereas the Motor cycle, Three wheeler and Moped had registered negative growth of 1.5%,1.6% and 2.3% respectively against the positive growth witnessed last year.

c. Performance Review:

Your company's sales grew by 4% compared to two/three wheeler industry growth of 2% . The company had grown in motor cycle and three wheeler segments mainly due to higher share of business from various customers. However, scooter and moped segments have not grown much in terms of value

but the company has retained the share of business with key customer. The company was successful in increasing the export business by 54%. The direct sales to aftermarket also recorded a growth of 36% by expanding the dealer network and the product portfolio.

d. Business Outlook:

The long term prospects for Indian economy are expected to be positive. Manufacturing industry will have sustained growth in the medium term. In the short term, growth in automotive industry appears to be clouded in view of the unclear market conditions due to introduction of new strict emission norms. Two factors are expected to boost consumption viz. increased spending from higher wage levels mainly coming out of implementation of seventh pay commission and expected good monsoon. Downward trend in interest rates, inflation and good governance are also expected to help the growth of industry. Indian Government is in advanced stages of preparing for GST implementation which is expected to result in reduction in manufacturing cost of components. The company stands to gain from the improving economic environment and investing in technologies and delivering higher value to customers by enabling them to stay ahead of global competition.

Your company has been successful in developing and securing the business for EGR controllers for small diesel engines to meet forthcoming BS IV emission norms.

Your company has also been identified for development of ECU for the EFI system jointly with our technical partner, by one of the two wheeler manufacturers for their popular model of motorcycle as well as by another US based engine manufacturer. The company plans to invest in design and development of these new technology products.

The company has further identified its electronic range of products as a potential growth segment and offered innovative value propositions to customers which are expected to fetch more businesses. On the cost front, your company is taking aggressive cost reduction and productivity improvement initiatives to make its products more competitive.

Your company has developed excellent business relationship with the US based customer because of sterling performance. On account of this, new businesses have been awarded by the customer which are expected to help the growth of export business in a significant way.

e. Human Resources and Industrial Relations:

The long term wage settlement for Hosur and Rewari have been completed successfully. The long term wages settlement at the Pondicherry plant is due and negotiations are under way. The industrial relations in all the units of the company continue to be harmonious.

The total number of people employed in the company as on 31st March 2016 was 506.

f. Risks and Concerns:

The excessive drought witnessed recently has affected the agricultural production in most parts of India. This may leave the consumers, especially in rural markets, with less savings resulting in contraction of demand and high inflation in food prices. The effects of this has already started becoming evident with distinct slow down in the demand of two wheelers in rural market. Expectations of normal monsoon conditions during the current year might improve the demand in later half of the year. Economic outlook indicates that rupee depreciation will continue and correspondingly high oil prices, which may affect the automotive industry. While on one hand the labour costs are going up due to increase in minimum wages in many states, the intensifying competition for the range of products manufactured by the company on the other hand creates pressure on customer pricing. These pose challenges to maintain the profitability, as customers may not fully offset the cost escalations.

Your Company is focussing on development of new technology products which offer customers good value propositions, improving operational efficiencies and cost reduction in every possible area of operation to protect the bottom line.

g. Risk Management Policy:

Your Company takes cognizance of each business risk and has a risk management plan and policy in line with the overall objectives of the Company.

The Company tracks the ever changing business risks and evaluates their impact on business results. Mitigation plan and counter measures are prepared and monitored to keep the impact minimal. Your Company had also formulated Risk Management Policy to identify and address the various risks.

h. Internal Control System and their adequacy:

Your Company views internal audit as a continuous process to keep the management regularly appraised on the existence, adequacy and effectiveness of the internal control systems/processes in the company.

Based on the annual review and feedback received from the units and statutory auditors, audit plan is prepared and updated every year and approved by the Audit Committee. Internal auditors independently verify and test the adequacy and operating effectiveness of internal control systems and this provides assurance to the Audit Committee of continued compliance. The internal audit reports are also shared with statutory auditors.

Your Company has started implementing ERP to improve internal control systems and accuracy of information on costs in real time which will help to analyse and exercise better control.

i. Internal financial control:

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
INDIA NIPPON ELECTRICALS LIMITED,
AALIM CENTRE,
82, DR RADHAKRISHNAN SALAI,
MYLAPORE, CHENNAI 600004

Dear Sir,

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s **INDIA NIPPON ELECTRICALS LIMITED** bearing CIN L31901TN1984PLC011021 (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2016, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31.03.2016, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Companies Act 1956 (to the extent applicable)

Independent Auditor's Report

To the Members of India Nippon Electricals Limited

Report on the Financial Statements

We have audited the accompanying financial statements of India Nippon Electricals Limited (the Company) which comprises the Balance Sheet as at March 31, 2016, the statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for

ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor

INDIA NIPPON ELECTRICALS LIMITED

considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2016 and its profit and its cash flows for the year ended on that date.

Annexure–B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of India Nippon Electricals Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

INDIA NIPPON ELECTRICALS LIMITED

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

- The Company has taken an in-principle decision to wind up the subsidiary company in Indonesia, i.e. P.T. Automotive Systems Indonesia in view of the non-viability of the project for which it was incorporated. The main assets in the books of the subsidiary are- land, which is standing at the value (as on 31.3.2016 exchange rate) of ₹ 555.48 Lacs, and bank deposits, which are standing at the value (as on 31.3.2016 exchange rate) of ₹ 744.95 Lacs- aggregating to ₹ 1,300.43 Lacs, as against the investment of ₹ 1,207.98 Lacs in the subsidiary. The auditors of the subsidiary have qualified the financial statements of the subsidiary on account of the fact that the financial statements have been prepared on a "Going concern" basis although a decision to wind up has been taken. In the opinion of the Directors of the company i.e. India Nippon Electricals Limited, based on the examination of the matter, the value of the assets will be sufficient to cover the cost of investment in the subsidiary and hence no provision is considered necessary.

26 Accounting Policies:

a) Basis of Accounting:

The financial statements of the Company have been prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India (GAAP). The financial statements comply with the relevant provisions of the Companies Act, 2013 (the Act) and the mandatory Accounting Standards and statements issued by the Central Government of India under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Accrual system of accounting is generally followed to record income and expenditure.

Cash flows are reported using the indirect method whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the company are segregated.

b) Use of estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which results are known/materialize.

c) Operating cycle for current and non-current classification:

The classification between non-current and current elements of the Balance Sheet is determined by the Operating Cycle, which is deemed to be twelve months in the case of the Company. "Operating Cycle" is defined as the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

d) Fixed Assets and Intangible Assets:

- i) Fixed assets are stated at cost of acquisition less accumulated depreciation and amortisation. Direct costs are capitalised till the assets are ready to be put to use. Interest cost of qualifying assets if any is capitalized as per the Accounting Standard 16, "Borrowing costs".
- ii) All Plant & Machinery including electrical installations acquired upto 1996-97 are shown at the replacement cost based on technical assessment and assets acquired after 1996-97 are shown at acquisition cost.
- iii) Other fixed assets acquired upto 1992-93 are shown at the replacement cost based on technical assessment and assets acquired after 1992-93 are shown at acquisition cost.

- iv) Acquired intangible assets representing software are recorded at their acquisition price and are amortized over their estimated useful lives not exceeding ten years, on a Straight Line basis, commencing from the date the assets are available for their use. The useful lives of the assets are reviewed by the Management at each Balance Sheet date. After initial recognition, an intangible asset is carried at its cost less any accumulated amortization and any accumulated impairment loss. Subsequent expenditure is capitalized only when it increases the future economic benefits from the specific asset to which it relates.

Accordingly, the ERP software is amortized over a period of ten years and other software over their useful lives estimated by the Management, which are generally lower than ten years.

e) Investments:

Non Current investments are carried at cost with decline in value other than temporary being provided in the statement of profit and loss account. Current investments are carried at the lower of cost and fair market value with provision being made for diminution in value in the statement of profit and loss.

f) Inventories:

- i) Raw materials, components and Stores are generally valued at least of cost or net realisable value. However, if the cost of the finished goods into which these materials are incorporated exceeds the net realisable value of the finished goods then the materials are written down to their net realisable value. Cost is arrived on weighted average basis.
- ii) Work-in-progress is valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads
- iii) Finished goods in warehouse and finished goods in transit are valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads and Excise duty
- iv) Loose Tools are written off in full in the year of purchase.
- v) Inventories are stated after adequate provision for non-moving, obsolete, surplus and defective items

g) Revaluation Reserve: (Refer Note No.26 (d))

The Revaluation Reserve is created on writing up of asset values with the corresponding credit being given to Revaluation Reserve. As mentioned in item (i) below, no amount of depreciation is adjusted to the Revaluation Reserve. As and when an asset is sold, discarded or scrapped, the necessary adjustments are made to the Revaluation Reserve.

h) Government Grants:

- i) Subsidy received from Government as contribution towards capital outlay for setting up industry in a backward area is treated as capital reserve.
- ii) Subsidy received for purchase of specific assets is reduced from the cost of the assets.

i) Depreciation:

- i) Depreciation on fixed assets is provided on written down value method based on the useful life of the assets prescribed in Schedule II of the Companies Act, 2013.
- ii) Depreciation on additions to fixed assets during the year is provided for the whole year.
- iii) Depreciation is charged on the revalued amounts of assets to the profit and loss account without any adjustment being made to the Revaluation Reserve.
- iv) Depreciation on disposals to fixed assets is provided till the date of such sale/deletion.

j) Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

k) Research and Development:

All expenditure including capital expenditure is charged off to profit and loss account.

l) Borrowing Costs:

Borrowing costs incurred for acquiring, constructing and producing a qualifying asset are capitalized. Other borrowing costs are charged off to the statement of Profit and Loss in the year in which they are incurred.

m) Taxation:

The company is accounting for taxes in accordance with the Accounting Standard AS 22 "Accounting for Taxes on income" notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Consequently, the tax provision includes the income tax payable on the estimated taxable income as well as the tax impact arising on account of timing differences thus ensuring that the income and taxes thereon are matched.

n) Foreign Currency Transactions:

Transactions denominated in foreign currencies are generally accounted at the exchange rates prevailing at the time of the transactions. Monetary assets and liabilities denominated in foreign currency at the year end are restated at the exchange rate prevailing on the Balance Sheet date. Any difference arising at the time of settlement/restatement is recognised in the statement of profit and loss. In the case of forward contracts, the differences between the transaction exchange rate and the forward rate is recognised as income or expense over the life of the contract.

The company also enters into foreign currency transactions as hedges against firm commitments/highly probable forecast cash flows from time to time as per its requirements of risk management. The losses or gains arising out of these transactions as at the end of the financial year in respect of contracts that are outstanding are marked to market and taken to the statement of profit and loss. However, where hedges are proved to be effective, the loss or gain is taken to the reserves and surplus in the balance sheet initially at the end of the financial year and accounted in the statement of profit and loss in the period in which underlying transactions matures.

o) Revenue Recognition:

- a) Sales shown in the Profit and Loss Account exclude sales tax. Sales made on FOR basis are accounted on the basis of goods acknowledged to have been received by customers before the year end. Goods not taken delivery by customers before the end of the year are treated as finished goods in transit. Price increases from customers are accounted in the year of receipt. Price reductions/discounts are accounted in the year in which the Company accepts claims.
- b) Dividends are accounted when the right to receive is established.

p) Employee Benefits:

i) Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

ii) **Post-Employment benefit Plans**

Payments to defined contribution retirement benefit schemes (provident fund) are charged as an expense as they fall due. For defined benefit schemes (Gratuity), the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the statement of Profit and Loss for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise is amortised on straight line basis over the average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost plus the present value of available refunds and reductions in future contributions to the scheme.

q) **Early Separation Scheme:**

The expenditure on Early Separation scheme is charged off to the statement of profit and loss in the year in which it is incurred.

r) **Contingencies and Provisions:**

Contingent losses arising on assessment are recorded when it is probable that the liability has been incurred and the amount can be reasonably estimated.

A Provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

27 **Disclosure required under Accounting Standard 15 “Employee Benefits”:**

The company has provided for long term employee benefits on the basis of actuarial valuation carried out as per Projected Unit Credit Method. The disclosure required under Accounting Standard 15 “Employees Benefits” notified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 are given below:

(a) **Defined Contribution Plan:**

I. **Provident fund:**

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Employee’s Provident Fund

scheme administered by Government of India equal to a specified percentage of the covered employee's salary.

II. Superannuation fund:

Eligible employees receive benefits from the superannuation fund, which is a defined contribution plan. Aggregate contributions alongwith interest thereon are paid at retirement, death, incapacitation or termination of employment. The Company makes yearly contributions to the Superannuation Fund Scheme administered by Life Insurance Corporation of India. Liabilities with regard to the Superannuation fund are determined by the Life Insurance Corporation of India as the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Superannuation Fund.

The Company recognised ₹ 188.06 Lacs (LY-159.61 Lacs) for Provident Fund and superannuation fund contribution in the statement of profit and loss.

(b) Defined benefit plan:

Gratuity:

The Company provides a gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as of the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Gratuity Fund Trust (the "Trust"). Trustees administer contributions by means of a group gratuity policy with Life Insurance Corporation of India.

The following table set out the status of the gratuity plan as required under AS 15:

(c) Leave encashment:

The Employees of the Company are entitled to compensated absence. Employees can carry forward a portion of the unutilized accrued compensated absence and utilize it in future periods or receive cash compensation at retirement or termination of employment for the unutilized accrued compensated absence for a maximum of 30 days. The Company records an obligation for compensated absences in the period in which employees render services that increase this entitlement. The Company measures the expected cost of compensated absence as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date. The liability has been actuarially evaluated and accounted in the books.

28. The Company is in the business of manufacturing Electronic Ignition Systems and therefore there is only one business segment. While the Company sells its products in the domestic and export markets, in view of the fact that, there is no significant variation in the risks and returns profile of these markets, it is considered that, there are no different geographical segments

Independent Auditor's Report To the Members of India Nippon Electricals Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of India Nippon Electricals Limited ("hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") its associate comprising the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associate in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Boards of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting

frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of Consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amount and the disclosures in the consolidated financial statements. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate as at 31st March 2016 and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of the subsidiary, whose financial statement

reflects total assets of ₹ 13,00,43,280 as at March 31, 2016, total revenues of ₹ 27,58,218 and net cash flows amounting to ₹ 25,58,965 for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 1, 55,78,325 for the year ended 31st March 2016, as considered in the consolidated financial statements, in respect of an associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and an associate, and our report in terms of sub-sections (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid subsidiary and associate, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.

INDIA NIPPON ELECTRICALS LIMITED

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company, and associate company, none of the directors of the Group companies, and its associate company is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The consolidated financial statements disclose the impact of pending litigation on the consolidated financial position of the Group, and its Associate Refer Note : 33 to the financial statements disclosing contingent liabilities.
 - (ii) The Group and its Associate have made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company and its Associate Company. As the subsidiary is a foreign company, it did not have any obligations under the said Fund.

Annexure- to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of India Nippon Electricals Limited ("the Holding Company") and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and

detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associate company , which are companies

incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the associate company, which is incorporated in India, is based on the corresponding report of the auditor of such Company incorporated in India. As the subsidiary is a foreign company, it did not have any obligations under section 143(3)(i) of the Act.

Other disclosure:

The fixed assets were revalued in the year 1992-93 by which the value of the assets was written up by ₹ 230.71 Lacs after technical assessment with the corresponding credit being given to Revaluation Reserve. These assets were fully written off in the books of accounts as on 31st March 1997. In the year 1997-98, the fixed assets comprising of plant and machinery and electrical installations were revalued again after a technical assessment by which the values of these assets were written up by ₹ 233.30 Lacs with the corresponding credit being given to Revaluation Reserve. As mentioned in accounting policy sl.no.26 (i)(iii), depreciation is computed on the revalued amounts and is charged off to the statement of profit and loss in full without withdrawing any amount from the revaluation reserve.

Consequent to the adoption of the revised estimates of useful life of fixed assets as stipulated in Schedule II to the Companies Act, 2013 with effect from 1st April 2014 an amount of ₹ 4.54 Lacs (net of deferred tax) being the net sum of adjustments to written down value of assets arising out of realignment with useful life of assets as prescribed has been debited to the opening balance of retained earnings. Consequent to the above, the charge for depreciation is higher by ₹ 128.14 Lacs for year ended 31st March 2015.

5 The Company has taken an in-principle decision to wind up the subsidiary company in Indonesia, i.e. P.T. Automotive Systems Indonesia in view of the non-viability of the project for which it was incorporated. The main assets in the books of the subsidiary are land, which is standing at the value (as on 31.3.2016 exchange rate) of ₹ 555.48 Lacs, and bank deposits, which are standing at the value (as on 31.3.2016 exchange rate) of ₹ 744.95 Lacs aggregating to ₹ 1,300.43 Lac, as against the investment of ₹ 1,207.98 Lacs in the subsidiary. The auditors of the subsidiary have qualified the financial statements of the subsidiary on account of the fact that the financial statements have been prepared on a "Going concern" basis although a decision to wind up has been taken.

In the process of preparation of consolidated financial statements, the cost of investment in the subsidiary is eliminated. However, the value of the assets viz. land, figures in the fixed asset Schedule (Note No. 7) standing at ₹ 555.48 Lac, and bank deposits figure in the Cash and Bank Balances (Note No. 15) standing at ₹ 744.95 Lacs aggregating to ₹ 1,300.43 Lacs. In the opinion of the Directors of the company i.e. India Nippon Electricals Limited, there is no impairment in the value of the assets and since the value of the assets will be sufficient to cover the cost of investment in the subsidiary, hence no provision is considered necessary.

6 During the year under review, the Associate Company viz. Synergy Shakti Renewable Energy Private Limited had made a loss of ₹ 389.46 Lacs. Considering that the Company has made profits in the preceding two years, and considering the investment is a long-term investment, no provision for diminution in value of investments is considered necessary.

26. Accounting Policies:

a) Basis of Accounting:

The financial statements of the Company have been prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India (GAAP). The financial statements comply with the relevant provisions of the Companies Act, 2013 (the Act) and the mandatory Accounting Standards and statements issued by the Central Government of India under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Accrual system of accounting is generally followed to record income and expenditure.

Cash flows are reported using the indirect method whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the company are segregated.

b) Use of estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which results are known/materialize.

c) Operating cycle for current and non-current classification:

The classification between non-current and current elements of the Balance Sheet is determined by the Operating Cycle, which is deemed to be twelve months in the case of the Company. "Operating Cycle" is defined as the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

d) Fixed Assets and Intangible Assets:

- i) Fixed assets are stated at cost of acquisition less accumulated depreciation and amortisation. Direct costs are capitalised till the assets are ready to be put to use. Interest cost of qualifying assets if any is capitalized as per the Accounting Standard 16, "Borrowing costs".
- ii) All Plant & Machinery including electrical installations acquired upto 1996-97 are shown at the replacement cost based on technical assessment and assets acquired after 1996-97 are shown at acquisition cost..
- iii) Other fixed assets acquired upto 1992-93 are shown at the replacement cost based on technical assessment and assets acquired after 1992-93 are shown at acquisition cost.

- iv) Acquired intangible assets representing software are recorded at their acquisition price and are amortized over their estimated useful lives not exceeding ten years, on a Straight Line basis, commencing from the date the assets are available for their use. The useful lives of the assets are reviewed by the Management at each Balance Sheet date. After initial recognition, an intangible asset is carried at its cost less any accumulated amortization and any accumulated impairment loss. Subsequent expenditure is capitalized only when it increases the future economic benefits from the specific asset to which it relates. Accordingly, the ERP software is amortized over a period of ten years and other software over their useful lives estimated by the Management, which are generally lower than ten years.

e) Investments:

Non Current investments are carried at cost with decline in value other than temporary being provided in the statement of profit and loss account. Current investments are carried at the lower of cost and fair market value with provision being made for diminution in value in the statement of profit and loss.

f) Inventories:

- i) Raw materials, components and Stores are generally valued at least of cost or net realisable value. However, if the cost of the finished goods into which these materials are incorporated exceeds the net realisable value of the finished goods then the materials are written down to their net realisable value. Cost is arrived on weighted average basis.
- ii) Work-in-progress is valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads
- iii) Finished goods in warehouse and finished goods in transit are valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads and Excise duty
- iv) Loose Tools are written off in full in the year of purchase.
- v) Inventories are stated after adequate provision for non-moving, obsolete, surplus and defective items

g) Revaluation Reserve: (Refer Note No.26 (d))

The Revaluation Reserve is created on writing up of asset values with the corresponding credit being given to Revaluation Reserve. As mentioned in item (i) below, no amount of depreciation is adjusted to the Revaluation Reserve. As and when an asset is sold, discarded or scrapped, the necessary adjustments are made to the Revaluation Reserve.

h) Government Grants:

- i) Subsidy received from Government as contribution towards capital outlay for setting up industry in a backward area is treated as capital reserve.
- ii) Subsidy received for purchase of specific assets is reduced from the cost of the assets.

i) Depreciation:

- i) Depreciation on fixed assets is provided on written down value method based on the useful life of the assets prescribed in Schedule II of the Companies Act, 2013.
- ii) Depreciation on additions to fixed assets during the year is provided for the whole year.
- iii) Depreciation is charged on the revalued amounts of assets to the profit and loss account without any adjustment being made to the Revaluation Reserve.
- iv) Depreciation on disposals to fixed assets is provided till the date of such sale/deletion.

j) Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

k) Research and Development:

All expenditure including capital expenditure is charged off to profit and loss account.

l) Borrowing Costs:

Borrowing costs incurred for acquiring, constructing and producing a qualifying asset are capitalized. Other borrowing costs are charged off to the statement of Profit and Loss in the year in which they are incurred.

m) Taxation:

The company is accounting for taxes in accordance with the Accounting Standard AS 22 "Accounting for Taxes on income" notified under Section 133 of the Companies Act,

2013, read with Rule 7 of the Companies the (Accounts) Rules, 2014. Consequently, the tax provision includes the income tax payable on the estimated taxable income as well as the tax impact arising on account of timing differences thus ensuring that the income and taxes thereon are matched.

n) Foreign Currency Transactions:

Transactions denominated in foreign currencies are generally accounted at the exchange rates prevailing at the time of the transactions. Monetary assets and liabilities denominated in foreign currency at the year end are restated at the exchange rate prevailing on the Balance Sheet date. Any difference arising at the time of settlement/restatement is recognised in the statement of profit and loss. In the case of forward contracts, the differences between the transaction exchange rate and the forward rate is recognised as income or expense over the life of the contract.

The company also enters into foreign currency transactions as hedges against firm commitments/highly probable forecast cash flows from time to time as per its requirements of risk management. The losses or gains arising out of these transactions as at the end of the financial year in respect of contracts that are outstanding are marked to market and taken to the statement of profit and loss. However, where hedges are proved to be effective, the loss or gain is taken to the reserves and surplus in the balance sheet initially at the end of the financial year and accounted in the statement of profit and loss in the period in which underlying transactions matures.

o) Revenue Recognition:

- a) Sales shown in the Profit and Loss Account exclude sales tax. Sales made on FOR basis are accounted on the basis of goods acknowledged to have been received by customers before the year end. Goods not taken delivery by customers before the end of the year are treated as finished goods in transit. Price increases from customers are accounted in the year of receipt. Price reductions/discounts are accounted in the year in which the Company accepts claims.
- b) Dividends are accounted when the right to receive is established.

p) Employee Benefits:

i) Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

ii) Post-Employment benefit Plans

Payments to defined contribution retirement benefit schemes (provident fund) are charged as an expense as they fall due For defined benefit schemes (Gratuity), the cost of providing benefits is determined using the Projected Unit Credit Method,

INDIA NIPPON ELECTRICALS LIMITED

with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the statement of Profit and Loss for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise is amortised on straight line basis over the average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost plus the present value of available refunds and reductions in future contributions to the scheme.

q) Early Separation Scheme:

The expenditure on Early Separation scheme is charged off to the statement of profit and loss in the year in which it is incurred.

r) Contingencies and Provisions:

Contingent losses arising on assessment are recorded when it is probable that the liability has been incurred and the amount can be reasonably estimated.

A Provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

31 Disclosure required Under Accounting Standard 15 "Employee Benefits":

The company has provided long term employee benefits on the basis of actuarial valuation carried out as per Projected Unit Credit Method. The disclosure required under Accounting Standard 15 "Employees Benefits" notified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 are given below:

(a) Defined Contribution Plan:

I. Provident fund:

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Employee's Provident Fund scheme administered by Government of India equal to a specified percentage of the covered employee's salary.

II. Superannuation fund:

Eligible employees receive benefits from the superannuation fund, which is a defined contribution plan. Aggregate contributions alongwith interest thereon are paid at retirement, death, incapacitation or termination of employment. The Company makes yearly contributions to the Superannuation Fund Scheme administered by Life Insurance Corporation of India. Liabilities with regard to the Superannuation fund are determined by the Life Insurance Corporation of India as the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Superannuation Fund.

The Company recognised ₹ 188.06 Lacs (LY-159.61 Lacs) for Provident Fund and superannuation fund contribution in the statement of profit and loss.

(b) Defined benefit plan:

Gratuity:

The Company provides a gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as of the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Gratuity Fund Trust (the "Trust"). Trustees administer contributions by means of a group gratuity policy with Life Insurance Corporation of India.

The following table set out the status of the gratuity plan as required under AS 15:
