II of the Companies Act, 2013, with effect from 1<sup>st</sup> April 2014, an amount of ₹ 6.86 lacs arising out of realignment with useful life as prescribed has been debited to the opening balance of retaining earnings.

### 2. FINANCIAL AND OPERATIONAL PERFORMANCE

Your Company's sales has gone up as compared to the previous year by 24.9% in value terms. Profit before tax and exceptional items has increased by around 22.1% over the previous year because of increased level of sales and

cost reduction initiatives undertaken. Your company also increased production capacity in Rewari to meet the higher demand from the customers.

### 3. MANAGEMENT DISCUSSION AND ANALYSIS

#### a. Overall economic view:

The Indian economy continued to battle with many challenges such as muted demand from industry, higher inflation during the first half of the year and contracted consumption from consumers. Interest rates had softened from third quarter and oil prices moved downward throughout the year. Manufacturing and industrial activities remained sluggish mainly due to depressed rural demand on account of monsoon failure last year and apprehensions of monsoon normalcy during the current year.

#### b. Industry structure and developments:

While the industry enjoyed robust growth early in the year, a significant slowdown has been noticed since the last quarter of the financial year under consideration, especially given the soft economic environment and weak rural economy. The two wheeler industry recorded an overall growth of around 10%; led by a 28% growth in scooter segment followed by motorcycle with around 4% growth. Three wheeler and Moped had registered growth of 14% and 3% respectively against the negative growth witnessed last year. Overall automotive industry also witnessed tapered demand towards the later part of the last quarter.

#### c. Performance Review:

Your company had a growth of around 85% in scooter segment mainly due to higher share of business from the various customers. Improvement in share of business from key customers coupled with a faster growth than the industry by two of them also helped

## INDIA NIPPON ELECTRICALS LIMITED

---

the company to register substantial overall growth compared to previous year. The direct sales to aftermarket also recorded a growth of around 50%. Your Company had recorded 29% growth in Motorcycle segment mainly due to higher share of business with the customers; far exceeding the overall motorcycle segment growth. Excise duty reduction and reduction in oil prices helped the company to perform better. Exports registered a sale of ₹ 12.09 crores against the previous year's sale of ₹ 10.91 crores.

### **d. Business Outlook:**

The long term prospects for Indian economy are expected to be positive due to demographic dividend which will continue to drive demand across industries. Manufacturing industry will have sustained growth in the medium term. In the short term, growth in automotive industry appears to be moderate due to increasing trend in oil prices and depreciation of rupee, as also subdued rural growth as already mentioned. However, it is expected to be compensated by downward trend in interest rates, inflation and good governance. Indian Government is in advanced stages of preparing for GST implementation which is expected to result in reduction in manufacturing cost of components. The company stands to gain from the improving economic environment and investing in technologies and delivering higher value to customers by enabling them to stay ahead of global competition.

Your company has been awarded new businesses by a major two wheeler manufacturer in India and has also been shortlisted as potential source for the entire ignition system of its proposed low cost motorcycle by another leading customer. The company has been identified for

development of ECU for the EFI system jointly with its Italian technical partner, by one of the two wheeler manufacturers for their popular model of motorcycle as well as by another US based engine manufacturer. The company has further identified its electronic range of products as a potential growth segment and offered innovative value propositions to customers which are expected to fetch more businesses. On the cost front, your company is taking aggressive cost reduction and productivity improvement initiatives to make its products more competitive.

Your company has developed excellent business relationship with the US based customer because of sterling performance on quality and delivery. On account of this, new businesses have been awarded by the customer which are expected to help the growth of export business in a significant way.

An assembly plant located in MIDC, Kolhapur in the State of Maharashtra is in the final stages of commissioning, primarily to service the requirements of customers based in Maharashtra.

### **e. Human Resources and Industrial Relations:**

The long term wage settlement has fallen due for revision at Hosur and Puducherry units. The long term wages settlement at the Rewari plant is also due from April 2015. The Unions at all three locations have given their charters of demand and negotiations are in advanced stages. The industrial relations in all the units of the company continue to be harmonious.

The total number of people employed in the company as on 31<sup>st</sup> March 2015 was 508.

### **f. Risks and Concerns:**

The excess unseasonal rainfall witnessed recently has affected the agricultural production in most parts of India. This

may leave the consumers, especially in rural markets, with less savings resulting in contraction of demand and high inflation in food prices. The effects of this has already started becoming evident with distinct slow down in the demand of two wheelers in rural market. Economic outlook indicates that rupee depreciation will continue and correspondingly high oil prices, which may affect the automotive industry. While on one hand the input costs are going up, the intensifying competition for the range of products manufactured by the company on the other hand creates pressure on customer pricing. These pose challenges to maintain the profitability, as customers may not fully offset the cost escalations.

Your Company is focussing on development of newer range of products which offer customers good value propositions, improving productivity and cost reduction in every possible area of operation to protect the bottom line.

**g. Risk Management Policy:**

Your Company takes cognizance of each business risk and has a risk management plan and policy in line with the overall objectives of the Company. The Company tracks the ever changing business risks and evaluates their impact on business results. Mitigation plan and counter measures are prepared and monitored to keep the impact minimal. Your Company had also formulated Risk Management Policy to identify and address the various risks.

**h. Internal Control System and their adequacy:**

Your Company views internal audit as a continuous process to keep the management regularly appraised on the existence, adequacy and effectiveness of the internal control systems/processes in the Company.

Based on the annual review and feedback received from the units and statutory auditors, audit plan is prepared and updated every year and approved by the Audit Committee. Internal auditors independently verify and test the adequacy and operating effectiveness of internal control systems and this provides assurance to the Audit Committee of continued compliance. The internal audit reports are also shared with statutory auditors.

Your Company has started implementing ERP to improve internal control systems and accuracy of information on costs in real time which will help to analyse and exercise better control. The ERP is expected to 'go live' in the early part of next year.

**i. Internal financial control:**

The Company has established internal financial framework including internal controls over financial reporting and anti-fraud framework. The framework is reviewed regularly by the management and strengthened from time to time to ensure adequacy and effectiveness of internal financial controls.

**j. Corporate Social Responsibility**

Your Company has constituted the Corporate Social Responsibility Committee (CSR Committee) and laid down the CSR policy which is available on the Company's website. Your Company has fully spent the amount it is required to spend on activities listed in Schedule VII of the Companies Act, 2013.

The annual report on CSR activities is annexed to this report as 'Annexure -5 '

**k. Cautionary statement**

Statements in the Management Discussion and Analysis Report describing your Company's objectives, projections, estimates and expectations are "forward looking statements" within the meaning of applicable

securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to your Company's operations include, among other things, economic conditions affecting demand / supply and prices in the domestic and overseas markets in which your Company operates, changes in Government regulations, tax laws, other statutes and other incidental factors.

### 4. SUBSIDIARY COMPANY AND ASSOCIATE COMPANY AND THE CONSOLIDATED FINANCIAL STATEMENTS

#### 4.1 Subsidiary Company

The subsidiary of your company, PT Automotive Systems Indonesia is exploring various business opportunities in that country as it also has a large two wheeler population and an appropriate decision will be taken within the time granted by the Governmental authorities of Indonesia. The Government authorities of Indonesia have given time till March 2017 for the decision to be reached. The details relating to the subsidiary have been provided in the prescribed form as part of the accounts.

The annual accounts of the subsidiary company will be available at the Registered office of the Company and of the subsidiary company concerned, if any member or investor wishes to inspect them during the business hours on any working day.

#### 4.2 Associate Company

M/s Synergy Shakthi Renewable Energy Limited (SSREL), in which your Company has made a strategic investment, reported a profit of ₹ 70.52 lacs for its financial year ended 31<sup>st</sup> March 2015 which has been recognised appropriately in the consolidated

accounts. During the year under review, their plant generated 41.31 million units of power that represented 53% PLF as against previous year's 72%. The drop is due to temporary suspension of third party sales by the state utility during the second quarter of the year on account of partial withdrawal of power cuts. SSREL also augmented its revenue by trading in Renewable Energy Certificates (RECs) where the market underperformed due to ineffective enforcement of Renewable Purchase Obligations (RPOs) by the regulatory authorities. Based on the renewable energy sector's representations to the Government and other regulatory agencies, it is hoped that appropriate measures will be in place to provide a fillip to the REC market with an effective enforcement of RPOs in the near future.

Financial position of the subsidiary and the associate company are provided in AOC-1 as required under Section 129 (3) of the Companies Act 2013 as part of the financial statements.

#### 4.3 Consolidated Financial Statements

The Consolidated Financial Statements of the Company prepared in accordance with the provisions of Section 129 (3) of the Companies Act 2013 and relevant Accounting Standards issued by the Institute of Chartered Accountants of India form part of the Annual Report.

### 5 DIVIDEND

Your Company had paid an interim dividend of ₹ 4.50 per share in the month of Feb'15. A final dividend of ₹ 4.50 per share has been recommended by the Board of Directors for approval of the shareholders. If approved, the total dividend for the year will be ₹ 9 per

share absorbing a sum of ₹ 1017.97 lacs besides an additional outgo on dividend distribution tax of ₹ 203.56 lacs.

## **6 PUBLIC DEPOSITS**

Your Company has not accepted any deposits falling within the ambit of Section 73 of the Companies Act, 2013 read with Companies [Acceptance of Deposits] Rules 2014.

## **7 CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE OUTGO AND EARNINGS**

## Annexure 1 to Directors' Report to the Shareholders

### Information as required under Section 134 of the Companies Act, 2013:

#### 1. CONSERVATION OF ENERGY

##### 1. Conservation of Energy:

##### a) The results of energy conservation measures taken up during the year under review are:

The power consumed per Standard Unit of Production is being monitored as a part of energy conservation measures and achieved the targeted level of 0.90 EU by implementing various activities like

1. Modified the two tier cooling conveyor system into single tier system in two Rotor lines
2. Converted one Hydraulic operated Broaching system to Electrical VFD controlled system
3. Eliminated one OD dust collection system by redesigning the stator assembly layout.
4. Stopped usage of higher capacity Air compressor on holidays and used mini Air compressor.

##### b) Future plans for energy conservation:

The company is aiming at greater energy conservation by practicing energy conservation measures like providing VFD Drives to 100T Hydraulic presses, installing a roof top solar PV system & installing a solar thermal system for canteen boiler & Rotor washing machines.

#### 2. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION:

## **Independent Auditor's Report**

**To the Members of India Nippon Electricals Limited.**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of India Nippon Electricals Limited (the Company) which comprises the Balance Sheet as at March 31, 2015, the statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company Directors, as well as evaluating the overall presentation of the financial statements.

## INDIA NIPPON ELECTRICALS LIMITED

---

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2015 and its profit and its cash flows for the year ended on that date.

### Report on other Legal and Regulatory Requirements:

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statements dealt

with by this Report are in agreement with the books of account;

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with rule 7 of the companies (accounts) Rules 2014.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2015 taken on record by the board of directors, none of the directors is disqualified as on 31<sup>st</sup> March 2015 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the other matters to be included in the auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements - Refer Note 34 to the financial statements disclosing contingent liabilities;
  - ii. The Company has made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## Annexure referred to in paragraph 1 of our report of even date

The provisions of the following clauses of Companies (Auditor's Report) Order, 2015 are not applicable to the company for the year.

- a) Clause 3(v) with regard to acceptance of deposits from the public since the company has not accepted any deposits.
- b) Clause 3(viii) with regard to accumulated losses since the company's net-worth is positive and the company has not incurred cash losses during the year or in the preceding financial year.
- c) Clause 3(ix) with regard to default in repayment of dues to a financial institution or Bank or Debenture Holders since the company has not borrowed any amounts during the year.
- d) Clause 3(x) with regard to guarantee given for loans taken by others from banks or financial institutions as the company has not given any guarantees.
- e) Clause 3(xi) with regard to term loans and applications of funds obtained since the company has not obtained any such loans.
- (i) (a) The company has maintained proper records showing full particulars including quantitative details and the situation of fixed assets.  
(b) The company has a regular programme of physical verification of its fixed assets at reasonable intervals. As explained to

us, the fixed assets are physically verified by the management according to a phased programme designed to cover all the items over a period of two years, which in our opinion, is reasonable having regard to the size of the group and the nature of its assets. No material discrepancies were noticed on such verification.

- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals.  
(b) The procedure of physical verification of inventories followed by the management is reasonable and adequate in relation to the size of the company and the nature of its business.  
(c) On the basis of the examination of the records of the inventory, we are of the opinion that the company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stock and the book records were not material and have been properly dealt with in the books of accounts.
- (iii) The Company has not granted any loans secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of The Companies Act, 2013.
- (iv) In our opinion and according to the information given to us, there is adequate internal control system commensurate with

## INDIA NIPPON ELECTRICALS LIMITED

the size of the company and the nature of its business with regard to purchase of inventory, fixed assets and for the sale of goods and services. During the course of our audit, no major weakness has been noticed in the internal control system.

- (v) On the basis of the records, we are of the opinion that prima facie cost records and accounts specified by the Central Government of India under sub-section (1) of Section 148 of the Companies Act, 2013 have been maintained. However, we are not required to and have not carried out any detailed examination of such accounts and records.
- (vi) (a) According to the records of the company, the company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and cess. There were no dues in arrears for a period of more than six months as on 31<sup>st</sup> March, 2015.

### 26. Accounting Policies

#### a) Basis of Accounting :

The financial statements of the Company have been prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India (GAAP). The financial statements comply with the relevant provisions of the Companies Act, 2013 (the Act) and the mandatory Accounting Standards and statements issued by the Central Government of India under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Accrual system of accounting is generally followed to record income and expenditure. Cash flows are reported using the indirect method whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the company are segregated.

#### b) Use of estimates :

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which results are known/materialize.

#### c) Operating cycle for current and non-current classification :

The classification between non-current and current elements of the Balance Sheet is determined by the Operating Cycle, which is deemed to be twelve months in the case of the Company. "Operating Cycle" is defined as the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

#### d) Fixed Assets and Intangible Assets :

- i) Fixed assets are stated at cost of acquisition less accumulated depreciation and amortisation. Direct costs are capitalised till the assets are ready to be put to use. Interest cost of qualifying assets if any is capitalized as per the Accounting Standard 16, "Borrowing costs".
- ii) All Plant & Machinery including electrical installations acquired upto 1996-97 are shown at the replacement cost based on technical assessment and assets acquired after 1996-97 are shown at acquisition cost.
- iii) Other fixed assets acquired upto 1992-93 are shown at the replacement cost based on technical assessment and assets acquired after 1992-93 are shown at acquisition cost.

#### d) Investments

Long term investments are carried at cost with decline in value other than temporary being provided in the statement of profit and loss account. Current investments are carried at the lower of cost and fair market value with provision being made for diminution in value in the statement of profit and loss.

#### **f) Inventories:**

- i) Raw materials, components and Stores are generally valued at least of cost or net realisable value. However, if the cost of the finished goods into which these materials are incorporated exceeds the net realisable value of the finished goods then the materials are written down to their net realisable value. Cost is arrived on weighted average basis.
- ii) Work-in-progress is valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads
- iii) Finished goods in warehouse and finished goods in transit are valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads and Excise duty
- iv) Loose Tools are written off in full in the year of purchase.
- v) Inventories are stated after adequate provision for non-moving, obsolete, surplus and defective items

#### **g) Revaluation Reserve: (Refer Note No.26 (d) )**

The Revaluation Reserve is created on writing up of asset values with the corresponding credit being given to Revaluation Reserve. As mentioned in item (i) below, no amount of depreciation is adjusted to the Revaluation Reserve. As and when an asset is sold, discarded or scrapped, the necessary adjustments are made to the Revaluation Reserve.

#### **h) Government Grants**

- i) Subsidy received from Government as contribution towards capital outlay for setting up industry in a backward area is treated as capital reserve.
- ii) Subsidy received for purchase of specific assets is reduced from the cost of the assets.

#### **i) Depreciation :**

- i) Depreciation on fixed assets is provided on written down value method based on the useful life of the assets prescribed in Schedule II of the Companies Act, 2013.
- ii) Depreciation on additions to fixed assets during the year is provided for the whole year.
- iii) Depreciation is charged on the revalued amounts of assets to the profit and loss account without any adjustment being made to the Revaluation Reserve.
- iv) Depreciation on disposals to fixed assets is provided till the date of such sale/deletion.

#### **j) Impairment of Assets :**

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

## INDIA NIPPON ELECTRICALS LIMITED

---

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

**k) Research and development :**

All expenditure including capital expenditure is charged off to profit and loss account.

**l) Borrowing costs**

Borrowing costs incurred for acquiring, constructing and producing a qualifying asset are capitalised. Other borrowing costs are charged off to the statement of Profit and Loss in the year in which they are incurred.

**m) Taxation**

The company is accounting for taxes in accordance with the Accounting Standard AS 22 "Accounting for Taxes on income" notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Consequently, the tax provision includes the income tax payable on the estimated taxable income as well as the tax impact arising on account of timing differences thus ensuring that the income and taxes thereon are matched.

**n) Foreign Currency Transactions:**

Transactions denominated in foreign currencies are generally accounted at the exchange rates prevailing at the time of the transactions. Monetary assets and liabilities denominated in foreign currency at the year end are restated at the exchange rate prevailing on the Balance Sheet date. Any difference arising at the time of settlement/restatement is recognised in the statement of profit and loss. In the case of forward contracts, the differences between the transaction exchange rate and the forward rate is recognised as income or expense over the life of the contract

The company also enters into foreign currency transactions as hedges against firm commitments/highly probable forecast cash flows from time to time as per its requirements of risk management. The losses or gains arising out of these transactions as at the end of the financial year in respect of contracts that are outstanding are marked to market and taken to the statement of profit and loss. However, where hedges are proved to be effective, the loss or gain is taken to the reserves and surplus in the balance sheet initially at the end of the financial year and accounted in the statement of profit and loss in the period in which underlying transactions matures.

**o) Revenue Recognition :**

a) Sales shown in the Profit and Loss Account exclude sales tax. Sales made on FOR basis are accounted on the basis of goods acknowledged to have been received by customers before the year end. Goods not taken delivery by customers before the end of the year are treated as finished goods in transit. Price increases from customers are accounted in the year of receipt. Price reductions/discounts are accounted in the year in which the Company accepts claims.

b) Dividends are accounted when the right to receive is established.

**p) Employee Benefits :**

i) Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

ii) Post-Employment benefit Plans

Payments to defined contribution retirement benefit schemes (provident fund) are charged as an expense as they fall due.

For defined benefit schemes (Gratuity), the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the statement of Profit and Loss for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise is amortised on straight line basis over the average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost plus the present value of available refunds and reductions in future contributions to the scheme.

**q) Early Separation Scheme :**

The expenditure on Early Separation scheme is charged off to the statement of profit and loss in the year in which it is incurred.

**r) Contingencies and Provisions :**

Contingent losses arising on Assessment are recorded when it is probable that the liability has been incurred and the amount can be reasonably estimated.

A Provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

**27 Disclosure required Under Accounting Standard 15 "Employee Benefits" :**

The company has provided long term employee benefits on the basis of actuarial valuation carried out as per Projected Unit Credit Method.

The disclosure required under Accounting Standard 15 "Employees Benefits" notified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 are given below:

### (a) Defined Contribution Plan

#### I. Provident fund :

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Employee's Provident Fund scheme administered by Government of India equal to a specified percentage of the covered employee's salary.

#### II. Superannuation fund :

Eligible employees receive benefits from the superannuation fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. The Company makes yearly contributions to the Superannuation Fund Scheme administered by Life Insurance Corporation of India. Liabilities with regard to the Superannuation fund are determined by the Life Insurance Corporation of India as the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Superannuation Fund.

The Company recognised ₹ 159.61 lacs for Provident Fund and superannuation fund contribution in the statement of profit and loss.

### (b) Defined benefit plan

#### Gratuity :

The Company provides a gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as of the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Gratuity Fund Trust (the "Trust"). Trustees administer contributions by means of a group gratuity policy with Life Insurance Corporation of India

The following table set out the status of the gratuity plan as required under AS 15:

### (c) Leave encashment

The Employees of the Company are entitled to compensated absence. Employees can carry forward a portion of the unutilized accrued compensated absence and utilize it in future periods or receive cash compensation at retirement or termination of employment for the unutilized accrued compensated absence for a maximum of 30 days. The Company records an obligation for compensated absences in the period in which employees render services that increase this entitlement. The Company measures the expected cost of compensated absence as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date. The liability has been actuarially evaluated and accounted in the books.

28 The company is in the business of manufacturing electronic ignition systems and therefore there is only one business segment. While the company sells its products in the domestic and export markets and to OEMs , in view of the fact that there is no significant variation in the risks and returns profile of these markets, it is considered that there are no different geographical segments.

## **Independent Auditor's Report**

### **To the Board of Directors of India Nippon Electricals Limited**

#### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of India Nippon Electricals Limited ("hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") and its Associate comprising the consolidated Balance Sheet as at March 31, 2015, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

#### **Management's Responsibility for the Consolidated Financial Statements**

The Holding company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associate in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Boards of Directors of the companies included in the Group and of its Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate

accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of consolidated financial statements by the Directors of the Holding Company, as aforesaid.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amount and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those

## INDIA NIPPON ELECTRICALS LIMITED

---

risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls systems over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its Associate as at 31<sup>st</sup> March 2015 and their consolidated profit and their consolidated cash flows for the year ended on that date.

### Other Matters

We did not audit the financial statements of the subsidiary, whose financial statement reflects total assets of ₹ 12,73,22,652 as at March 31,2015, total revenues of ₹ 112,38,684. and

net cash flows amounting to ₹ 35,51,275 for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 28,20,990 for the year ended 31<sup>st</sup> March 2015, as considered in the consolidated financial statements, in respect of an Associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and the associate, and our report in terms of sub-sections (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid Subsidiary and Associate, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

### Report on Other Legal and Regulatory Requirements.

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable to the Holding company and its Associate based on the comments in the auditor's report of the Associate company. The Companies (Auditor's Report) Order, 2015 is not applicable to the Subsidiary as the Subsidiary is a foreign company.

## 2. As required by Section 143(3) of the Act, we report, to the extent applicable, that

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2015 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its Associate

company, none of the directors of the Holding company, its associate company is disqualified as on 31<sup>st</sup> March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act. As the Subsidiary company is a foreign company, these requirements are not applicable to it.

- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated financial statements disclose the impact of pending litigation on the consolidated financial position of the Group, its Associate - Refer Note 33 to the financial statements disclosing contingent liabilities.
  - ii. The Group and its Associate have made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company and its Associate Company. As the subsidiary is a foreign company, it did not have any obligations under the said Fund.

### 26 Accounting Policies

#### a) Basis of Accounting

The financial statements of the company have been prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India (GAAP). The financial statements comply with the relevant provisions of the Companies Act, 2013 (the Act) and the mandatory Accounting Standards and statements issued by the Central

Government of India notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Accrual system of accounting is generally followed to record income and expenditure.

Cash flows are reported using the indirect method whereby profit before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the company are segregated.

**b) Use of estimates :**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which results are known/materialize.

**c) Operating cycle for current and non-current classification :**

The classification between non-current and current elements of the Balance Sheet is determined by the Operating Cycle, which is deemed to be twelve months in the case of the Company. "Operating Cycle" is defined as the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

**d) Fixed Assets and Intangible Assets :**

- i) Fixed assets are stated at cost of acquisition less accumulated depreciation and amortisation. Direct costs are capitalised till the assets are ready to be put to use. Interest cost of qualifying assets if any is capitalized as per the Accounting Standard 16, "Borrowing costs".
- ii) All Plant & Machinery including electrical installations acquired upto 1996-97 are shown at the replacement cost based on technical assessment and assets acquired after 1996-97 are shown at acquisition cost.
- iii) Other fixed assets acquired upto 1992-93 are shown at the replacement cost based on technical assessment and assets acquired after 1992-93 are shown at acquisition cost.
- iv) Leasehold land is amortised over the life of primary period of the lease.

**e) Investments**

Long term investments are carried at cost with decline in value other than temporary being provided in the statement of profit and loss. Current investments are carried at the lower of cost and fair market value with provision being made for diminution in value in the statement of profit and loss.

### **f) Inventories:**

- i) Raw Materials and components and stores are generally valued at least of cost or net realisable value. However, if the cost of the finished goods into which these materials are incorporated exceeds the net realisable value of the finished goods then the materials are written down to their net realisable value. Cost is arrived on weighted average basis.
- ii) Work-in-progress is valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads
- iii) Finished goods are valued at lower of cost and net realisable value. Cost is arrived at material cost plus labour and appropriate element of overheads and Excise duty
- iv) Loose Tools are written off in full in the year of purchase.
- v) Inventories are stated after adequate provision for non-moving, obsolete, surplus and defective items

### **g) Revaluation Reserve: (Refer note 26 (d) )**

The Revaluation Reserve is created on writing up of asset values with the corresponding credit being given to Revaluation Reserve. As mentioned in item (i) below, no amount of depreciation is adjusted to the Revaluation Reserve. As and when an asset is sold, discarded or scrapped, the necessary adjustments are made to the Revaluation Reserve.

### **h) Government Grants**

- i) Subsidy received from Government as contribution towards capital outlay for setting up industry in a backward area is treated as capital reserve.
- ii) Subsidy received for purchase of specific assets is reduced from the cost of the assets.

### **i) Depreciation :**

- i) Depreciation on fixed assets is provided on written down value method based on the useful life of the assets prescribed in Schedule II of the Companies Act, 2013.
- ii) Depreciation on additions to fixed assets during the year is provided for the whole year.
- iii) Depreciation is charged on the revalued amounts of assets to the profit and loss account without any adjustment being made to the Revaluation Reserve.
- iv) Depreciation on deletions to fixed assets is provided till the date of such sale/deletion

### **j) Impairment of Assets :**

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

---

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

**k) Research and development :**

All expenditure including capital expenditure is charged off to profit and loss account.

**l) Borrowing costs**

Borrowing costs incurred for acquiring, constructing and producing a qualifying asset are capitalised. Other borrowing costs are charged off to the Profit and Loss Account in the year in which they are incurred.

**m) Taxation**

The company is accounting for taxes in accordance with the Accounting Standard AS 22 "Accounting for Taxes on income" notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. Consequently, the tax provision includes the income tax payable on the estimated taxable income as well as the tax impact arising on account of timing differences thus ensuring that the income and taxes thereon are matched.

**n) Foreign Currency Transactions:**

Transactions denominated in foreign currencies are generally accounted at the exchange rates prevailing at the time of the transactions. Monetary assets and liabilities denominated in foreign currency at the year end are restated at the exchange rate prevailing on the Balance Sheet date except Share Capital. Any difference arising at the time of settlement/restatement is recognised in the profit and loss account. In the case of forward contracts, the differences between the transaction exchange rate and the forward rate is recognised as income or expense over the life of the contract

The company also enters into foreign currency transactions as hedges against firm commitments/highly probable forecast cash flows from time to time as per its requirements of risk management. The losses or gains arising out of these transactions as at the end of the financial year in respect of contracts that are outstanding are marked to market and taken to the profit and loss account. However, where hedges are proved to be effective, the loss or gain is taken to the reserves and surplus in the balance sheet initially at the end of the financial year and accounted in the profit and loss account in the period in which underlying transactions matures.

**o) Revenue Recognition :**

- a) Sales shown in the Profit and Loss Account exclude sales tax. Sales made on FOR basis are accounted on the basis of goods acknowledged to have been received

by customers before the year end. Goods not taken delivery by customers before the end of the year are treated as finished goods in transit. Price increases from customers are accounted in the year of receipt. Price reductions/discounts are accounted in the year in which the Company accepts claims.

b) Dividends are accounted when the right to receive is established.

### **p) Employee Benefits :**

#### **i) Short term employee benefits:**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

#### **ii) Post-Employment benefit Plans :**

Payments to defined contribution retirement benefit schemes (provident fund) are charged as an expense as they fall due.

For defined benefit schemes (Gratuity), the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the Profit and Loss account for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise is amortised on straight line basis over the average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost plus the present value of available refunds and reductions in future contributions to the scheme.

#### **q) Early Separation Scheme :**

The expenditure on Early Separation scheme is charged off to the profit and loss account in the year in which it is incurred.

#### **r) Contingencies and Provisions :**

Contingent losses arising on Assessment are recorded when it is probable that the liability has been incurred and the amount can be reasonably estimated.

A Provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted

to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

### 31 Disclosure required Under Accounting Standard 15 "Employee Benefits" :

The company has provided long term employee benefits on the basis of actuarial valuation carried out as per Projected Unit Credit Method.

The disclosure required under Accounting Standard 15 "Employees Benefits" notified Under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 are given below:

#### **(a) Defined Contribution Plan**

##### **I. Provident fund :**

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the Employee's Provident Fund scheme administered by Government of India equal to a specified percentage of the covered employee's salary.

##### **II. Superannuation fund :**

Eligible employees receive benefits from the superannuation fund, which is a defined contribution plan. Aggregate contributions alongwith interest thereon are paid at retirement, death, incapacitation or termination of employment. The Company makes yearly contributions to the Superannuation Fund Scheme administered by Life Insurance Corporation of India. Liabilities with regard to the Superannuation fund are determined by the Life Insurance Corporation of India as the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Superannuation Fund.

The Company recognised ₹ 159.61 lacs for Provident Fund and superannuation fund contribution in the statement of profit and loss.

#### **(b) Defined benefit plan**

##### **Gratuity :**

The Company provides a gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as of the balance sheet date, based upon which, the company contributes all the ascertained liabilities to the Life Insurance Corporation of India's Employees Gratuity Fund Trust (the "Trust"). Trustees administer contributions by means of a group gratuity policy with Life Insurance Corporation of India.

The following table set out the status of the gratuity plan as required under AS 15:
